

# ATTENTION!

**Foot and mouth disease may be transmitted by humans and leftovers!**

**IT IS PROHIBITED TO feed cows, pigs, wild boars or other animals susceptible to this disease with leftovers.**

**IT IS STRONGLY RECOMMENDED NOT TO visit animals on farms during the 5 days following the return from a country affected by foot and mouth disease. Clothes and shoes should be washed and disinfected.**

For more information, please visit the Swedish Board of Agriculture at [www.sjv.se](http://www.sjv.se).
