

SAMPLE VETERINARY HEALTH CERTIFICATE
for export of breeding pigs and frozen boar semen from Sweden

Certificate by veterinarian authority of Sweden

Ref (cert number):

Date:

Status of animals to be exported

Name and address of exporter	Name and address of importer
Import Permit Number	Number of animals to be exported
Breed	Identification (e.g. eartags, microchip)
<p>I, the undersigned official veterinarian, hereby certify that:</p> <ol style="list-style-type: none"> Sweden has been free from foot and mouth disease and swine fever (African and Classical) during twelve (12) months preceding the date of export. The animals come from farm(s) free of porcine reproductive and respiratory syndrome (PRRS) during six (6) months preceding the date of export and the animals have been tested free for the disease. Postweaning multisystemic syndrome (PMWS) and Porcine dermatitis and nephritis syndrome (PDNS) have never been diagnosed in the farm(s). The animals come from farms(s) free of transmissible gastroenteritis, porcine enzootic encephalomyelitis, swine vesicular disease, Aujeszky's disease, leptospirosis and brucellosis. The blood of the animal to be exported to Malaysia has been tested by the agglutination or complement fixation method for brucellosis not more than one (1) month prior to export with negative result. All the pig destined for export to Malaysia have been examined by a competent veterinary surgeon immediately prior to export and found to be clinically healthy and free from any symptom of infectious or contagious disease at the time of export.
