TOTAL		64 840,755

Below you will find the following information about the barley in each store:

- Storage place
- Storage address
- Storekeeper
- Unloading capacity
- Stored quantity
- Harvest year
- Quality of the barley at the time of intake:
 - Moisture content
 - Impurities (grain)
 - Broken grains
 - Sprouted grains
 - Other impurities
 - Specific weight
 - Weighted average

Storage place
